Warren Central Students Showcased at Circle City Classic

Eleven Warren Central High School students were a part of the Circle City Classic Coronation on Sunday September 25, with Evan Smith walking away with the crown of Miss Circle City Classic. Smith along with Neshawn Grady (2nd runner-up), Desiree Coles, Briana Willis, and Taylor Allen all competed for the crown.

The Circle City Classic Coronation is not a beauty pageant, but rather the recognition of an upstanding, well rounded young lady of African American descent. The contestants must maintain a grade point average of at least a 2.7 on a 4.0 scale, and show strength in academics, teamwork, attitude, communication skills, community involvement, and attendance.

The ladies will all be atop the float in the Circle City Classic parade this Saturday, October 1, 2011. Smith will also be honored at half time of the Kentucky State and Albany State University Football game.

Seven young men from Warren also served as ushers, participated in the fashion and escorted the young ladies in the formal presentation scene. They are Ronnie Alexander, Deointe Buckley, Jonathan Burt, Sheldon Day, Kaleb Humphrey, and Jordan Shine.
