Trained by the Phantom

On September 19, Warren Central High School students who are casted as leads for the WC production of *Guys & Dolls* were given a Master Class from Franc D'Ambrosio. Franc is best known for portraying the Phantom in the longest running *Phantom of the Opera* on Broadway! The students worked with him for nearly 2 hours this morning in the WPAC Auditorium and worked on some of their character's songs for the musical. Theatre students and choir students also attended to observe the class. The master class was sponsored by the WPAC's community outreach season.
